The journey has only just begun! Get ready for an exciting month ahead as we explore what has happened and what is yet to come for The Traveler's season. Come along and let's see what the future holds!

Behind the Scenes: Making of the Remix Controller

Back in September we hosted our very first Xbox Ambassadors Discord server event. We invited the Xbox team responsible for the Limited Edition

and Special Edition Xbox Wireless Controllers to talk about the Making of the Xbox Wireless Controller – Remix Special Edition.

This event was an opportunity for Ambassadors to learn more, including why and how the controller was created, what went into the Remix Controller's design, production, and release, and have their questions answered by the team—live!

The Xbox Ambassadors event has been a resounding success, and we are so excited to share these new opportunities with the community. Make sure to keep an eye out in Discord for the opportunity to partake in conversations with other Xbox teams in the future. If you want to participate in other exclusive chances to connect with Team Xbox, visit the Xbox Ambassador Research Panel registration form and join the Xbox Ambassador Research Panel.

Pledge Quests

The Xbox Ambassadors Program plays a crucial role in fostering a positive gaming community by encouraging gamers to uphold the values of inclusivity, positivity, and camaraderie, creating a safe space for all gamers.

The Xbox Ambassador Pledge Quests are a series of conversations that take place inside our new Discord forum channels. With these Quests, Ambassadors can foster connections and share experiences when they felt included in gaming communities, share tips to make others feel welcome, and, overall, embody the principles of the Xbox Ambassadors Pledge.

Participating in the Pledge Quests is easy and accessible to all Ambassadors. To get started, simply visit the Xbox Ambassadors website. Once you've signed into your profile, you can explore the available pledge quests and join the conversation. Make sure to check out our Quests website every week as we'll have different conversations about Living the XA Pledge.

Here's one of our favorite quotes from one of our Community Champions

| Mistress Sara

I remember the nervous excitement of my first playdate adventure. I wasn't sure what to expect, but the leader took a moment before any gameplay

started to remind everyone it was all for fun. If anyone had questions, or needed help, just ask. Once the gaming started, it was great to see I was with players of similar skills/abilities, and the ones with better skills tended to go after others of the same or better skills so the less experienced ones didn't spend most of the gametime respawning. It was nice feel welcomed and not be used as a target for others easily level up in a game.

XA Halloween Contest

Calling all Xbox enthusiasts and Halloween fanatics! This October we introduced our Xbox Ambassadors Halloween contest – a thrilling opportunity for the community to showcase their creativity and Halloween spirit.

In the spirit of the season and as an opportunity to unleash their creativity, we invited all Ambassadors to participate in creating handcrafts, carving pumpkins and sharing their fanart.

To inspire you and give you a taste of what's to come in our Ambassador's Halloween Blog, here's a sneak peek of one of our favorite shared crafts:

That’s a wrap! Stay tuned for more updates and get ready to level up your gaming progress on The Traveler’s season.
